This week we have been talking with the children about how much Jesus loves each one of us and how much Jesus loves children. Jesus is always with us in our play and in our work. Let us remember what Jesus said and did, and that he wants us to do the same.

In the gospel at Mass today the reading reminded us to love one another in the same way that Jesus loves us.

Thank you to all the staff who work so hard to make St Francis Xavier a happy and safe place where children can learn.

I have really enjoyed being here for these two weeks and have come to know that the staff here really love the children and want to do whatever is necessary to make this school the best learning place it can be.

I wish Georgie every blessing as she takes on the leadership as Principal. She will have a wonderfully supportive staff. I hope that all families will give her great support and encouragement.

May St. Francis Xavier School enjoy many blessings as the year continues. I will continue to pray for you.
